

Dear Guarantor,

This is an 'Application form', NOT a Guarantor contract. We would be grateful if you could complete this form in full, for our records. The Guarantor Contract should be attached to the back of this Application form. However, if it is not, it will be sent out to the person you are standing Guarantor for in due course, and they will forward it onto you.

When returning this application form and Guarantor Contract, it is essential, in the absence of meeting you in person, that you supply a photocopy of your passport or driving licence. The ID that you provide needs to match the signature on this form and the contact and must be a clear copy.

If you have queries regarding the Guarantor Contract or Tenancy Agreement, please put these in writing to [hello@relettings.co.uk](mailto:hello@relettings.co.uk). Please do not write over or cross through any of the wording of the contracts as this will make them invalid.
